(over for explanation)

Any contribution we make available under any license will also be made available under a suitable FSF (Free Software Foundation) or OSI (Open Source Initiative) approved license.

5. With respect to your contribution, you represent that:
- it is an original work and that you can legally grant the rights set out in these terms;
 - it does not to the best of your knowledge violate any third party's copyrights, trademarks, patents, or other intellectual property rights; and
 - you are authorized to sign this contract on behalf of your company (if identified below).
6. These terms will be governed by the laws of Germany. Any choice of law rules will not apply.

If available, please list your username(s) and the name of the project(s) (or project website(s)) for which you would like to contribute materials.
